A Taste of Japanese Winter with Yukiko Milne

Thursday 17th January 2019, £50 per person

includes two glasses of matched wine

Yukiko is a passionate Japanese home cook and our resident expert on all things Japanese at the Jericho Kitchen teaching our Sushi, Japanese Vegetarian, Ramen and Gyoza classes.

"We use a lot of miso in many different dishes not just miso soup! Miso gives warmth and often has a cheesy taste to it so can add another level of flavour to dishes. Yuzu is a Japanese lemon, which has a highly aromatic rind and enjoyed all year round but especially during the winter months. I am hoping that this menu will introduce you to flavour combinations that maybe you haven't tried before and will thoroughly enjoy!"

Along with this traditional Japanese menu we have acquired some rare Japanese sake for you to try that you certainly won't find in any bar in Oxford!
